Our sincerest condolences to our members who have lost loved ones; we wish you strength and comfort through these difficult times.

What's Happening in the Branches

The '[Recommend a Title](#)' procedure has been updated. However, this change would present some difficulties for staff and add an extra burden on frontline staff due to the cumbersome process if you want to discuss how this change would negatively impact you. Lynn Lobash is hosting a Branch Collections Office hours about this issue on [April 6th at 3 PM](#) if you want to provide further feedback about the problems related to this change.
